	• 42" Dia. x 30" H	• 48" Dia. x 30" H	• 30" W x 30" L x 30" H
	• 30" W x 96" L x 30" H	• 42" W x 42" L x 30" H	• 30" W x 60" L x 30" H
			• 48" W x 48" L x 30" H

#### BASES

##### Materials & Construction:

Table frames and tapered legs shall be constructed with 1-9/16" solid oak hardwood. Legs are attached to tops with metal-to-metal construction. All wood components are UV Cured Resin, refer to UV testing and stain options. Corners shall be radiused and edges rounded for safety.

#### UV CURED RESIN FINISH & Test Data:

All wood panel components receive three coats of Ultra-Violet (UV) cured resin. Mil thickness shall be no less than 1.250 mil thick. The result is a tough, easy to clean finish that offers protection from damage by heavy strength disinfectants and bleach-based cleaners used to discourage blood borne pathogens. **Passes:** Bell Adhesion Test, Adhesion Crosshatch test, Hoffman Hardness Test, Cold Check Test, UV Light Exposure Test, Edge Soak Test, and Stain Test. **Wood Stains:** Refer to ModuForm's Stain Color Guide for options.

---

## GENERAL INFORMATION

### Performance Testing

**Warranty:** ModuForm's standard warranty provides for repair or replacement due to defects in the material and workmanship for a period of five years. Additionally all Grade 7 and Grade 9 seat cushions manufactured by our proprietary roto-molded process are warranted against defects in materials and workmanship for a period of five years from date of shipment.

**Shipping:** All units are shipped unassembled with hardware and assembly instructions included.

**Ordering Information:** See current Price List for prices and how to order. **DISCOUNTS AVAILABLE.** For assistance call our Customer Service Department toll-free at **800-221-6638**, visit our website at [www.moduform.com](http://www.moduform.com) or call your local ModuForm Representative.
