

Julia's frame is machined on state of the art CNC equipment to within the tightest of tolerances. All pieces are puzzle cut into mortise and tenon style joints and assembled using industrial wood glue and fasteners. Sinuous wire springs are added for durability and strength. Foam is commercial grade for comfort and longevity. Fabric is upholstered to the frame with precision for a tailored fit and finish. A variety of pieces are available to build numerous configurations.

JUL60CB
Inside Curve with Back
24"d x 56.5" w x 32"h | 18"sh

JUL60RCB
Reverse Curve with Back
24"d x 56.5" w x 32"h | 18"sh

JUL60C
Curve | Bench
24"d x 56.5" w x 18"h

JUL38CB
Inside Curve with Back
24"d x 32.5" w x 32"h | 18"sh

JUL38RCB
Reverse Curve with Back
24"d x 32.5" w x 32"h | 18"sh

JUL38C
Curve | Bench
24"d x 32.5" w x 18"h
