

Olive's Chair in Light Cherry | ROC01-LC

Olive's frame is constructed with solid beech components enhanced with mortise and tenon joinery, glued and screwed for durability. Patented sealed ball bearing mechanism produces a true rocking motion; not gliding. Solid seat with machined scoop for additional comfort. Optional seat and back cushions can be easily affixed. Available with side panels, locking mechanism and complimenting ottoman as shown below.

with Side Panels | ROC01SP
