

CHS11 Shaker Chair | 1100-720 Table Natural Finish

1100 tables offer an attractive aesthetic with a durable and rugged design. Attention to detail was paid in all areas to ensure this table will stand up to demanding environments. Leg assemblies are connected with rails using metal-to-metal fasteners ensuring the most durable frame available. They are a worthy addition to any lounge, recreational, study or dining areas. Tables are offered in a variety of sizes and styles to meet a wide range of needs. All wood components are finished with our UV cured resin finish. The result is a tough, easy to clean surface that offers protection from damage by heavy strength disinfectants and bleach-based cleaners.
