

SF6201J Chelsea Jr Chair | BG8516HT Dalton Jr with Writable HPL | SF6201J Chelsea Jr Chair

Chelsea Jr.'s frame components are machined into puzzle like pieces on state of the art CNC equipment to within the tightest of tolerances. During the assembly process, these components lock together while commercial adhesives and mechanical fasteners are introduced to further enhance the construction. This process results in the most durable, robust and stable foundation from which to build upholstered furniture. Sinuous wire springs are added, tied together and connected to tape lined clips which prevent squeaking. This improves the longevity and overall strength. Foam is commercial grade for comfort and resiliency. Fabric is upholstered to the frame with precision for a tailored fit and finish.

SF6201 Chelsea on left vs SF6201J on right
 SF6201: 29"d x 24.5"w x 32"h | 18" sh
 SF6201J: 25"d x 18"w x 27"h | 15" sh

SF6201J Chelsea Jr. with BCE3X15V Bounce in center
 SF6201J: 25"d x 18"w x 27"h | 15" sh
 BC3X15V: 15"d x 15"w x 15"h (pressure foam filled)

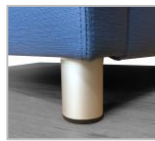

SF6201J

Junior Modular Chair
25" d x 18" w x 27" h
15" sh | 16" seat depth

Wood Cylinder Leg

Metal Cylinder Leg | Silver

Metal Cylinder Leg | Black

Casters

Ganging Clip

Handle | Motion Package

Standard Features:

- Hardwood engineered plywood frame components; puzzle cut
- Arched, sinuous wire springs
- Lined spring clips to prevent squeaking
- Commercial grade foam seat cushion with polyfiber wrap for added comfort
- Single needle stitching
- Wood cylinder leg: Standard finishes
Natural, Light Cherry,
Cherry, Dark Mocha, Stone

Options:

- Cal 133 compliance
- Moisture barrier for seat
- Double needle stitching
- Contrast stitching (with double needle only)
- Motion package with handle, (2) casters and (2) legs
- (4) Casters
- Metal legs in black or silver
- (2) Fabrics

Coordinating wood tables and chairs available
