***NOTE** – All wood is unique. This is what makes it special. Minor variations or irregularities of color, surface, grain and texture indigenous to their nature and over which we have no control will be more noticeable in lighter finishes. We trust that by selecting ModuForm wood products you will feel the same way as us. ModuForm cannot guarantee finishes will exactly match previous orders. Available edgebanding colors on laminate tops for tables and casegoods is detailed in the most current price list. Please contact Customer Service at 800-221-6638 for more information.
